

CNC Machining Production Service

Xiamen Precision Industrial Co., Ltd.

Mr. Brook X Lin

Mobile Phone: +86 135 99927 066

E-mail: brook@xmprecision.com

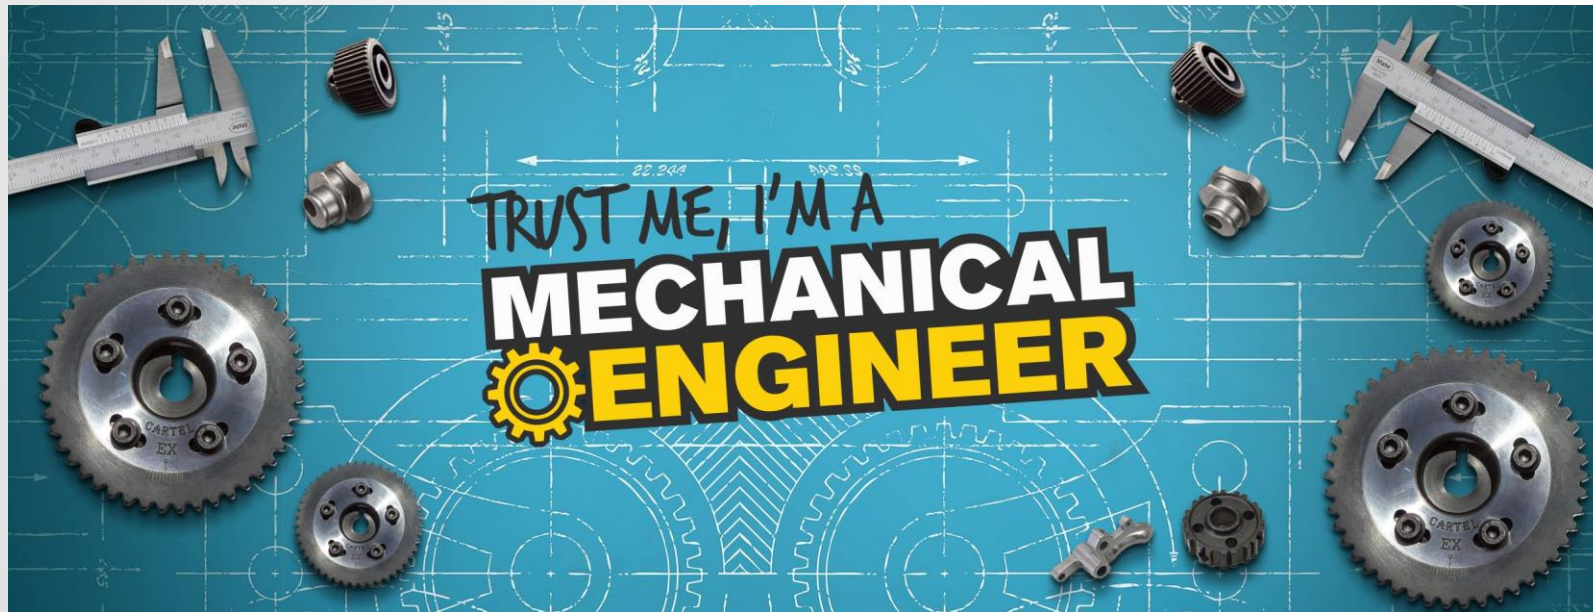

Address: Tongan, Xiamen, Fujian, China

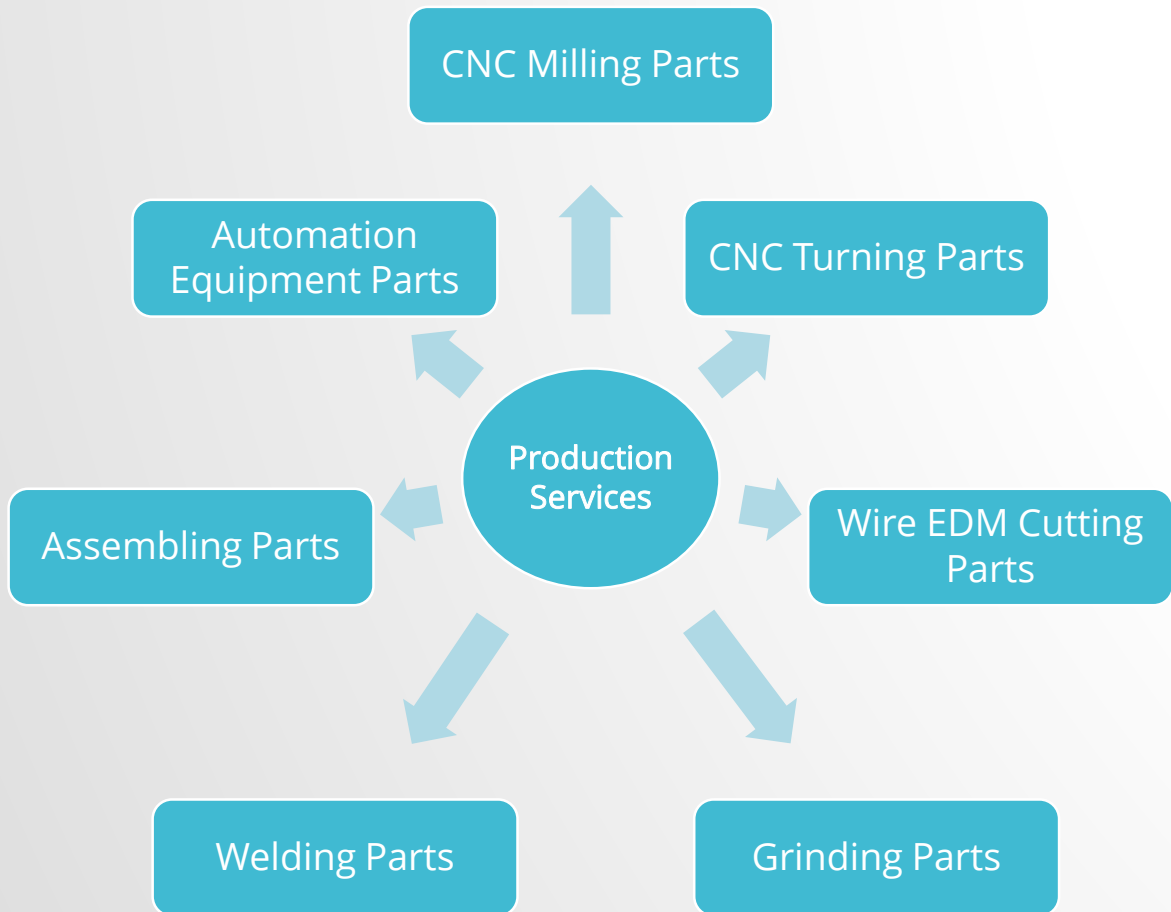

Website: <http://www.xmprecision.com>

Not Just a Supplier, but a Valued Business Partner

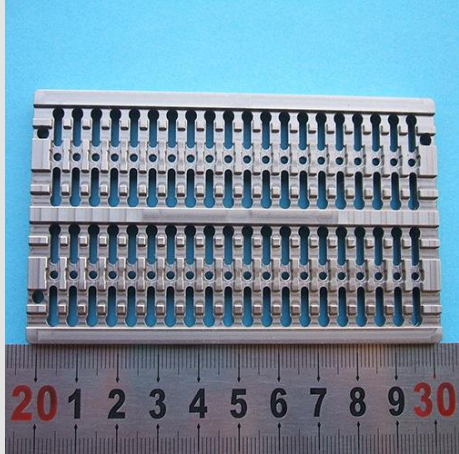

We are not merely a supplier of CNC machining products. We understand our customers expect and are entitled to so much more.

Our organization is set up to be a business resource. In this ultra competitive business environment, we know we must provide the best overall value to our customers at every step of the procurement process from feasibility and design, to purchase and delivery through post delivery support. Our people are trained and trained again to deliver knowledgeable, efficient and value-added solutions to our customers' component part and assembly requirements.

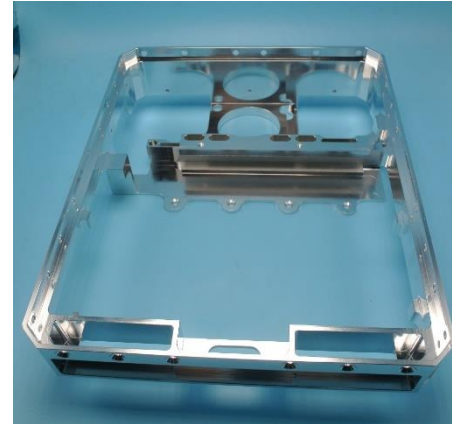

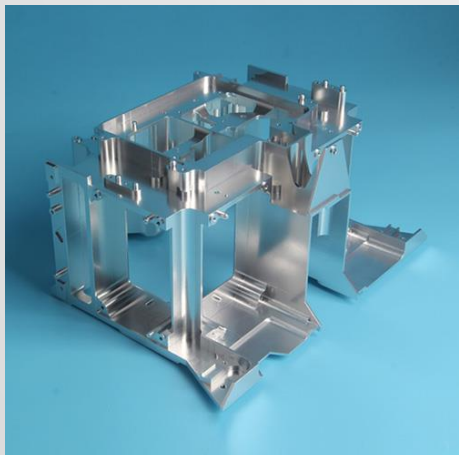

CNC Milling Parts

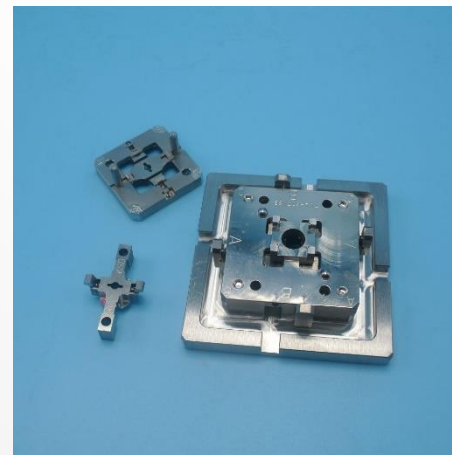

Model No.	VH-0084
Item Name	Titanium CNC Milling Parts
Material	Titanium
Surface Treatment	Lapping
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$28.7-29.5
Industries Served	Power Generation and Battery

Model No.	VH-WS0001
Item Name	Aluminum CNC Milling Parts
Material	Al6061
Surface Treatment	Anodizing
Tolerance	Can keep +/-0.01mm, high precision
FOB Price (piece)	US\$17.6-20.5
Industries Served	Machinery

Model No.	VH-WS0251
Item Name	Aluminum CNC Milling Parts
Material	Al6061
Surface Treatment	Anodized
Tolerance	Can keep +/-0.01mm, high precision
FOB Price (piece)	US\$36.8-39.6
Industries Served	Electronics

Model No.	VH-WS0001
Item Name	Stainless Steel CNC Milling Parts
Material	Stainless Steel
Surface Treatment	Polishing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$13.8-15.5
Industries Served	Automatic equipment

CNC Turning Parts

Model No.	VH-WS0601
Item Name	Brass CNC Turning Parts
Material	Brass
Surface Treatment	Passivation
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$6.8-7.6
Industries Served	Hardware

Model No.	VH-WS0621
Item Name	Plastic CNC Turning Parts
Material	Plastic
Surface Treatment	Brushing
Tolerance	Can keep +/-0.01mm, high precision
FOB Price (piece)	US\$2.8-3.5
Industries Served	Automobiles

Model No.	VH-WS0529
Item Name	Stainless Steel CNC Turning Parts
Material	Stainless Steel
Surface Treatment	Superfinishing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$7.8-8.3
Industries Served	Chemical

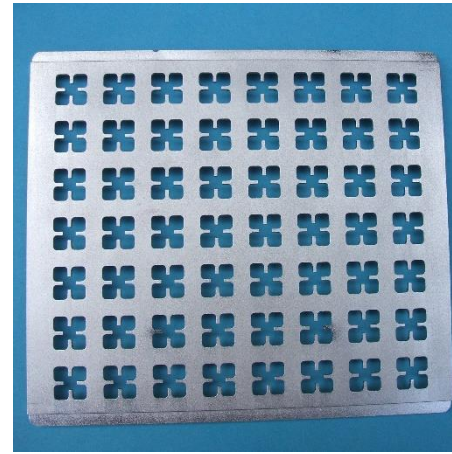

Model No.	VH-WS0235
Item Name	Aluminum CNC Turning Parts
Material	Al6061
Surface Treatment	Red Anodized
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$5.4-6.9
Industries Served	Medical instrument

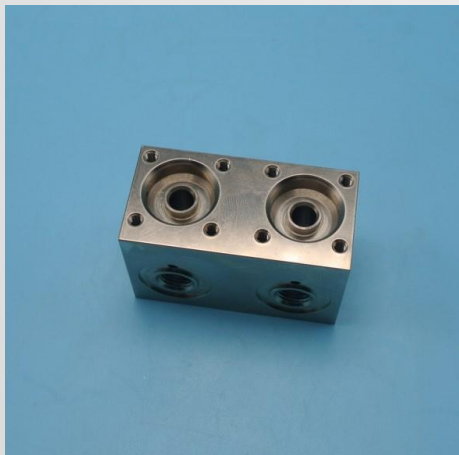

Wire EDM Cutting Parts

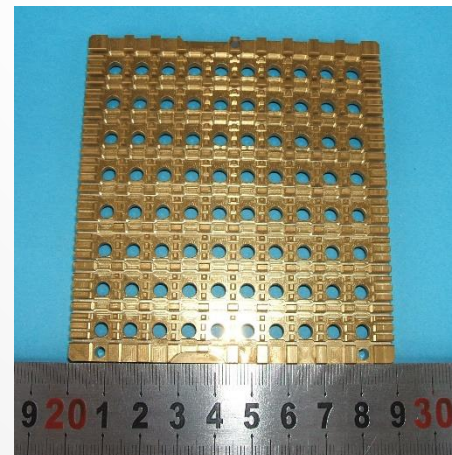

Model No.	VH-WS0023
Item Name	Stainless Steel Wire EDM Cutting Parts
Material	Stainless Steel
Surface Treatment	Polishing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$9.8-10.5
Industries Served	Computers

Model No.	VH-WS0084
Item Name	Sheet CNC Wire EDM Cutting Parts
Material	Sheet
Surface Treatment	Burnishing and Electroplating
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$8.8-9.5
Industries Served	Printing

Model No.	VH-WS0036
Item Name	Steel CNC Wire EDM Cutting Parts
Material	Steel
Surface Treatment	Lapping
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$6.8-7.5
Industries Served	Defense

Model No.	VH-WS0067
Item Name	Aluminum CNC Wire EDM Cutting Parts
Material	Al6061
Surface Treatment	Anodized
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$13.8-14.5
Industries Served	Heat Transfer

Grinding Parts

Model No.	VH-WS0456
Item Name	Steel CNC Grinding Parts
Material	Steel
Surface Treatment	Burnishing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$4.8-5.5
Industries Served	Telecommunications

Model No.	VH-WS0058
Item Name	Aluminum CNC Grinding Parts
Material	Al6061
Surface Treatment	Anodized
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$9.8-10.3
Industries Served	Appliances

Model No.	VH-WS0075
Item Name	Aluminum CNC Grinding Parts
Material	Al6061
Surface Treatment	Anodized
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$7.8-8.5
Industries Served	Foodservice Equipment

Model No.	VH-WS0066
Item Name	Bakelite CNC Grinding Parts
Material	Bakelite
Surface Treatment	Burnishing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$10.8-11.5
Industries Served	Power Generation and Battery

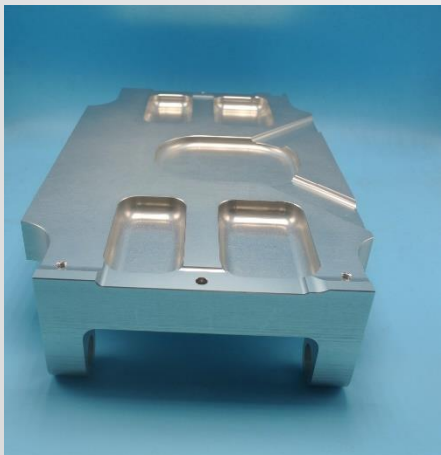

Welding Parts

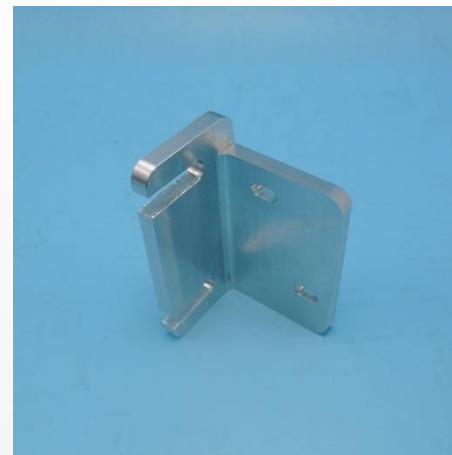

Model No.	VH-WS0501
Item Name	Aluminum CNC Welding Parts
Material	Stainless Steel
Surface Treatment	Stainless Steel
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$5.8-6.5
Industries Served	Medical Equipment

Model No.	VH-WS0641
Item Name	Aluminum CNC Welding Parts
Material	Stainless Steel
Surface Treatment	Carburizing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$5.8-6.9
Industries Served	Power Generation and Battery

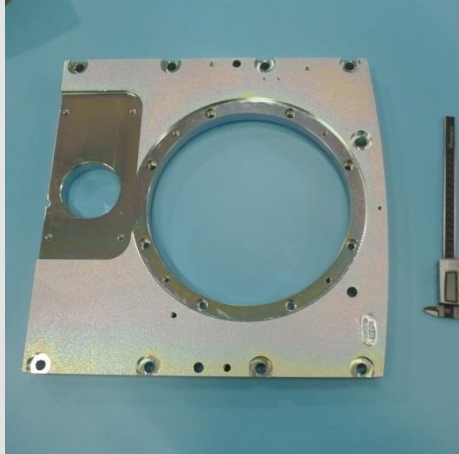

Model No.	VH-WS0421
Item Name	Aluminum CNC Welding Parts
Material	Al6061
Surface Treatment	Passivation/Conversion coating
Tolerance	Can keep +/-0.01mm, high precision
FOB Price (piece)	US\$13.8-17.5
Industries Served	Aerospace

Model No.	VH-WS0381
Item Name	Aluminum CNC Welding Parts
Material	Steel
Surface Treatment	Nickel Plating
Tolerance	Can keep +/-0.01mm, high precision
FOB Price (piece)	US\$2.8-3.5
Industries Served	Medical Equipment

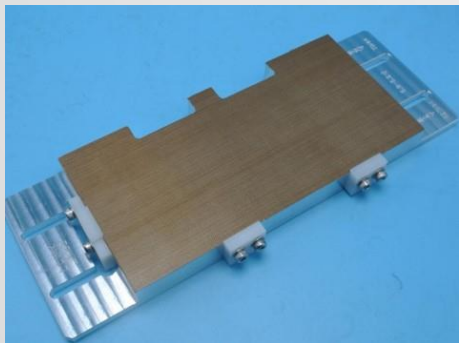

Assembling Parts

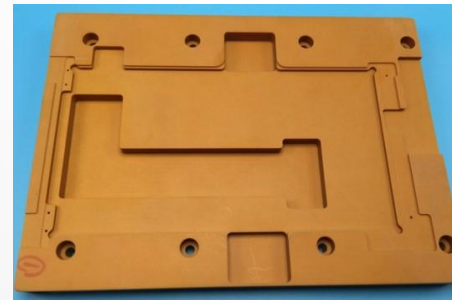

Model No.	VH-WS0901
Item Name	Aluminum CNC Assembling Parts
Material	Steel
Surface Treatment	Galvanizing
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$30.8-31.5
Industries Served	Machinery

Model No.	VH-WS0561
Item Name	Aluminum CNC Assembling Parts
Material	Stainless Steel
Surface Treatment	Sandblasting
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$13.8-13.9
Industries Served	Hardware

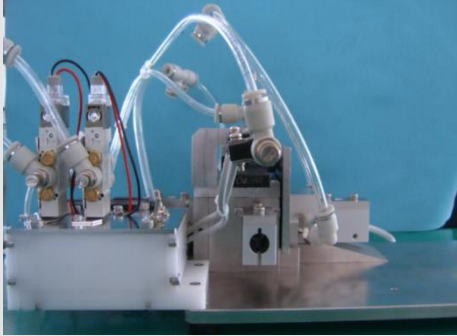

Model No.	VH-WS0851
Item Name	Aluminum CNC Assembling Parts
Material	Al6061
Surface Treatment	Lapping
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$9.8-10.5
Industries Served	Automobiles

Model No.	VH-WS0841
Item Name	Aluminum CNC Assembling Parts
Material	bakelite
Surface Treatment	
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (piece)	US\$10.7-11.4
Industries Served	Electronics

Automation Equipment Parts

Model No.	VH-WS0026
Item Name	Automation Equipment
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (SET)	US\$100-110
Industries Served	Automatic equipment

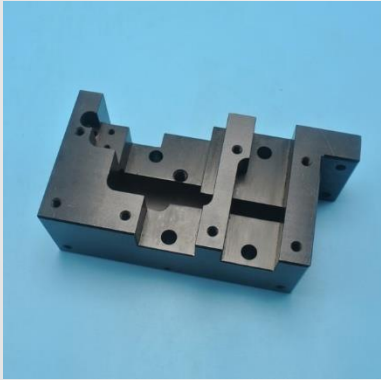

Model No.	VH-WS0056
Item Name	Automation Equipment
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (SET)	US\$220-250
Industries Served	Medical instrument

Model No.	VH-WS0078
Item Name	Automation Equipment
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (SET)	US\$2800-3500
Industries Served	Electronics

Model No.	VH-WS0088
Item Name	Automation Equipment
Tolerance	Can keep +/-0.005mm, high precision
FOB Price (SET)	US\$5000-5500
Industries Served	Chemical

On demand CNC machining with upfront pricing and no RFQ

Produce machined components quickly and more efficiently

Custom spare parts in the heart of Chinese manufacturing

Manage the entire production process from start to finish

Factory reduce operational costs and scale on demand

CNC Production
Track your order in real-time

Precise prototyping goes high-tech

Every order that crosses our platform is 100% insured for quality.

CNC Machining Experts serving Global Industries

Deliver perfect parts, on time, at affordable prices.

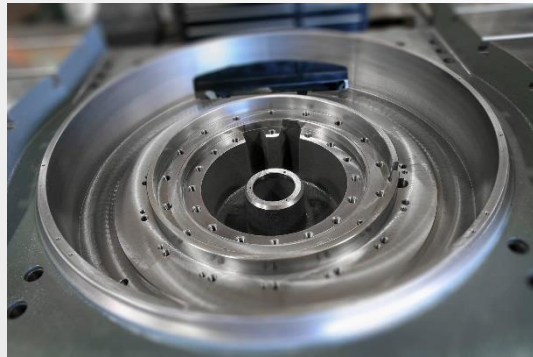

We are CNC Machining experts

Create a smooth, rapid path to production.

Armed with the industry leading technology and techniques

Assuring our customers the quality they have come to expect.

High Quality steel rapid prototyping

Fiber are machined to the tightest tolerances imaginable.

Capability

Industries Served:	Machinery, Electronics, Automatic equipment, Hardware, Automobiles, Computers, Chemical, Medical instrument, Defense, Printing etc.
Equipment List:	DMG 5 axis CNC machining center / HASS composite CNC machine / CNC Machining Center / CNC Lathes / Grinding Machines / Milling Machines / Lathes / Wire-cuts / Laser Cuts / CNC Shearing Machines / CNC Bending Machines / etc.
Capabilities:	CNC Turning, CNC Milling, Wire EDM Cutting, Metal Fabrication, Grinding, Laser Cutting, Welding, Assembling, Plastic Injection Molding, Photo Chemical Milling, CNC Plasma Cutting, CNC Turret Punching, Waterjet Cutting, Secondary Processes, Laser Marking Services etc.
Materials Capabilities:	Aluminum Parts, Brass Parts, PTFE Parts, Copper Parts, Steel Parts, Acetal Parts, Stainless Steel Parts, Polycarbonate Parts, Polystyrene Parts, Sheet Metal Parts, Fiberglass Parts, Carbon Fiber Parts, Nylon Parts, Titanium Parts, ABS Parts, PVC Parts, Sterling Silver Parts, Spring Steel Parts, Bronze Parts, Plastic Parts, Rubber Parts, Acrylic Parts etc.
Custom Machined Parts:	Auto Parts, Electronics , Enclosures, Flat Washers, Front Panels, Gaskets, Golf Putters, Heatsinks, Jewelry, Knobs, Machinery, Metal Brackets, Metal Spacers, Motorcycle Parts, Pulleys PVC Parts, Robot Parts, Shaft Supports, Sheet Metal Boxes & Enclosures, Shift Knobs, Spring Spur Gears, Steel Shafts, Toy Parts, Wrenches
Surface Treatment:	Anodizing/Black Oxide/Electroplating/Heat Treating/Brushing/Grinding/Polishing/Painting/Powder Coating/Nickel Plating/Galvanized
Inspection Equipment:	Mitutoyo three-coordinate measuring machine, Mitutoyo Tool Microscope can measure up to 300mmX x 175mmY x 220mmZ Outer Micrometer, Inside Micrometer (Machine), Digimatic Micrometer, Internal Micrometer, Mechanical Caliper, Vernier Caliper, Caliper (Digital), Caliper (Machine), Caliper (Dial), diameter Scale, Depth Micrometer, Digital Caliper, Altitude Gauge, Electric Balance, 2D Measurement Inspection Instruments etc.
Q C:	Incoming material will be checked carefully before production. Strict processing quality control. 100% inspection before shipment. http://www.xmprecision.com
